

Harvest Festival October 2021

This display was the centre piece of the Harvest Festival on October 17th 2021 celebrated by the United Reformed Church's Brixham congregation. Whereas in the olden days there would have been a Harvest Supper and auction of produce later in the week, Harvest Gifts have been donated to Brixham Food Bank just across Bolton Cross behind the Town Hall for several years. URC Brixham operates a collection point for anyone using their building.
